Dear Parents/Carers

Re - Fee Increase

Due to continuing rising costs and a rise in wages there will be a small increase in our fees commencing:

1st April 2020.

Our fees, as before will include all meals and snacks and formula milk for babies up to one year of age. We will also continue to supply good quality nappies and wipes.

We constantly assess our setting and introduce new equipment to provide the best possible care and education for your children and we want to continue to provide the highest standard for our young clients.

We appreciate that price increases are never popular, and we hope that you can see that our prices continue to offer value for money compared to others in the vicinity. As many of our parents are aware there was no fee increase last year and we always try to keep them to a minimum.
